As a nuclear holocaust erupts, MIT professor, Dr. Trent Davis, a renowned scientist, must save humanity. With a weak executive in the Oval Office, Davis recruits Cristopher Mointz, an athlete turned history professor, to re-live his life, from the age of eight, and be elected President in 2016 in order to stop the nuclear devastation. Travel with Cristopher as he negotiates his new life, intense covert ops, and a political jungle on his path to becoming the 45th president of the United States, and avoiding nuclear catastrophe. ABOUT THE SERIES Parallel Relativity depicts the travels of athlete turned college professor Cristopher Mointz as he negotiates his new life, intense covert operations and a political jungle, on his way to becoming the 45th president of the United States, and avoiding nuclear catastrophe, in the "First Parallel." During his travels, Mointz and the love of his life begin a political dynasty that steps forward to serve the nation in the spirit of the great American political families: The Kennedys, the Roosevelts, and the Rockefellers. Parallel Relativity will be released April 16th, 2015. Then, be looking for Parallel Relativity II by mid-summer 2015, and Parallel Relativity III by late summer 2015. Follow Christopher Mointz, the patriarch of the Second Parallel's great American family as they ensure America's place for generations to come as the City upon a Hill, popularized in First Parallel American culture by both Presidents John F. Kennedy and Ronald Reagan. As President Reagan stated in his farewell address..."I've spoken of the shining city all my political life, but I don't know if I ever quite communicated what I saw when I said it. But in my mind it was a tall proud city built on rocks stronger than oceans, wind-swept, God-blessed, and teeming with people of all kinds living in harmony and peace, a city with free ports that hummed with commerce and creativity, and if there had to be city walls, the walls had doors and the doors were open to anyone with the will and the heart to get here. That's how I saw it and see it still." Travel with Christopher Mointz and the next great American family as they preserve America's position as that City upon a Hill in the Second Parallel.
